Dear BREMBO50.COM:

Thank you for your recent contact with the Customer Relationship Center.

You asked us to provide you with production figures for the 2011 Ford Mustang with the Brembo Brake Package.

According to our records, there were **544** Convertibles and **4,057** Coupes totaling **4,601** Mustangs with the Brembo Brake Package manufactured.

I hope this information helps you.

Sincerely,

A handwritten signature in black ink that reads "Karen Brown".
